

*Pay in flexible monthly instalments from 3 months

CASHFLOW FRIENDLY INSTALMENT OPTIONS

*Procuret can finance supplier invoices for software, hardware, equipment, and services valued between \$1,500 and \$75,000.

FAST AND SIMPLE APPLICATION PROCESS

*The digital finance application takes a few minutes to complete using a driver's licence, ABN/NZBN, and a credit/debit card or bank account (AU only). A decision is provided within 15 minutes. **The application must be completed by a Director or majority Shareholder.**

HOW TO PAY IN INSTALMENTS

*Finalise your sales order with your supplier, then use the Procuret finance link on your invoice to explore your instalment options and complete a quick 2-minute application (including terms and credit eligibility)
