

FIXED APPLIANCES WORKSHOP

BOSS Fixed Appliances Workshop will allow you to do fixed appliances as a supplement to your clear aligner treatments, without needing to do long and expensive CPD programs to learn these skills. Best suited to BOSS Diploma graduates or active participants.

* Workshop is limited to a maximum of 15 people

The fixed appliance workshop will be over 2 days in Sydney and have practical lectures and hands-on workshop for:

- Bracket positioning and direct bonding of orthodontic brackets
- Designing a maxillary expander device
- Indirect bonding of brackets on typodonts with a demo of DIBS AI portal
- Archwire ligation techniques
- Anchorage preparation techniques - tip back bends, lacebacks
- Understanding Instrumentation and auxiliaries available for fixed appliances - coils, springs, elastics
- Archwire bending (1st, 2nd and 3rd order bends), including fabricating molar uprighting springs and canine extrusion springs

**9-10th May 2025 (Friday - Saturday)
9am - 5pm**

**Pullman Grand Circular Quay
61 Macquarie St, Sydney NSW 2000, Australia**

Cost
\$4900 + GST before early bird ends 28/02/2025
\$5400 + GST from 01/03/2025
(Cost includes all workshop materials)
